What is Play Date?

A supportive, fun and interactive Play & Stay session for children and their families.

It provides an opportunity to meet parents on a similar journey to you and make new friends. Develop strategies to help and support your child's development. Play Date provides a gentle and nurturing introduction to a pre-school environment for children with a range of needs

Who can access Play Date?

Children aged 0-5 years in the London Borough of Sutton, presenting with additional needs and/or disability
