## What is SMILE Group?

SMILE Group is a brand new group for children with medical and physical needs and it's open to any of our Portage and PIP families via a referral by one of our PlayWise staff.

Parents and children will explore the sensory aspect of everyday experiences through fun and physical storytelling and will have the opportunity to take part in sensory play in the wonderful PlayWise Hub.

## Who Can Join This Group??

SMILE Group is for children with

- 😊 physical and/or medical needs
- 😊 pre-walkers or newly walking children (not confident walkers)

Parents will be present and involved, encouraging and supporting their children to take part in the activities.
