Toilet Training Workshop

The ABC's of Toilet Training Children with Additional Needs/ Disability

This is a unique opportunity for parents/carers and practitioners to attend a specialist workshop on supporting a child with additional needs/difficulties (aged 2 – 8 years) with toilet training.

If you are not a PlayWise member the cost will be £10.00
If you live out of borough the cost will be £20.00.

This workshop will provide you with an understanding of the psychological and physiological basis of toileting, provide you with tips and strategies to use with your child and give you the preparation and confidence to be successful at toilet training your child.

*This workshop is for adults only – unfortunately we cannot provide a crèche.

Wednesday 30th January
