

SOCIALWISE

SCAN ME

SocialWise is a social skills group for children aged 4-8 years in small groups. The group facilitates learning skills such as sharing turn taking, reciprocity, waiting, anticipation, language and communication skills and attention whilst playing and having fun with friends.

Activities include snack time, circle time, attention bucket and focused sensory play and turn taking games. Children will learn to use visual support and will access a range of table top, floor and music and movement activities.

SocialWise provides a 6 week intervention for parents and children

THIS GROUP AIMS AT:

Increasing child's attention to a focused adult led activity, developing child's skills to be able to take turns with their peers, child having fun in social group setting, increasing parental peer support and network
