PLAYWISE SUPPORT PASSPORT

In partnership with

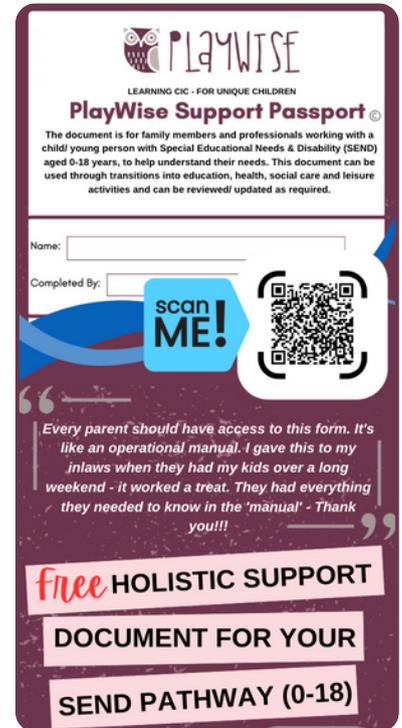

South West London

The PlayWise Support Passport is a document designed to support young people, professionals, service providers and family members working with a child/ young person with Special Educational Needs & Disability (SEND) aged 0-18 years, to help understand their needs. This document can be used through education and into school, for holiday and leisure activities, health appointments and other support services.

This document can be shared with the people that are important in your child/ young person's care, learning and life. This can include GP's, paediatricians, therapists, play workers, teachers, education teams, teaching assistants, short break coordinators, social workers and extended family members etc.
