

Subscription Services

Sutton Nursery/ School settings

(All year round service: 52 weeks)

A unique opportunity for school and nursery settings to access tailor-made and practical 'hands-on' interventions directly in their settings to support children with delayed developmental milestones, behaviour challenges and additional support needs aged 0-8 years.

Subscription services include:

- Bespoke hands on interactions with children and staff
- Practical and solution focussed interventions
- Support with behaviour management/sensory challenges
- Modelling inclusive circle times and good practice
- Guidance on how to reduce the impact of disability on EY providers
